Dear Sir/Madam,

### Special Workshop on Preparations of Part B Submissions under Resolution 559 (WRC-19)

The ATU General Secretariat presents its compliments to your administration/organization and has the honour to inform you that the ATU in collaboration with the ITU will hold an online Special Workshop on Preparations of Part B Submissions under Resolution 559 (WRC-19) on **13 December 2022 (14H00 to 18H00 East African Time)**.

The main objective of the workshop is to enable the ITU Radiocommunications Bureau to explain the practical ways of preparing and submitting Part B Submission under Resolution 559. This workshop is a follow-up to the previous two special workshops ATU has held in collaboration with the ITU on the implementation of Resolution 559 (WRC-19).

Kindly be advised that all concerned Administrations need to submit their Part B Submission to the Radiocommunications Bureau towards the end of this year or early next year so that they have enough time to submit their requests to WRC-23 in relation to Resolution 559. As a concerned administration, it is extremely important for your country to actively participate in the workshop with a view to preparing and submitting the said submissions in time.

This serves as a kind invitation for your administration to participate in the said workshop. Participants are kindly requested to register via a simple registration using the following link: <https://us02web.zoom.us/meeting/register/tZwud-yprTlsE9etemJqfJcBj3sgR66wzRm3>. After registering, they will receive a confirmation email containing the login link to the meeting.

If you have any question or need any clarification, please do not hesitate to contact us. I look forward to the participation by your administration/organization.

Yours faithfully,

**John OMO**  
Secretary General
