Dear Sir/Madam,

INVITATION TO THE 3RD MEETINGS OF THE ATU WRC-23 WORKING GROUPS

The African Telecommunications Union (ATU) is pleased to invite your administration/organization to the 3rd meetings of the ATU WRC-23 Working Groups. The meetings will take place online as per the attached **schedule of dates**.

The objective of the meetings is to review the proposed methods of the current draft CPM text (for the agenda items in their purview) in order to develop, if so required and necessary, ATU common proposals to CPM23-2. These proposals will need to propose desirable improvements to the current draft CPM text in line with any aspirations so identified by the Working Group concerned.

This letter serves as a kind invitation for your administration/organization to submit input contribution(s) on desirable improvements to the current draft CPM text and to participate in the said meetings. Input contributions should be made available **5 working days** before the start of a given meeting via sg@atuuat.africa with copy to k.mwale@atuuat.africa. The draft CPM text can be found on <https://www.itu.int/md/R19-CPM23.2-C-0001/en>

Participants are kindly requested to register via a simple registration. After registering, they will receive a confirmation email containing the login link to the meeting. Registration links to the meetings are as reflected in the schedule of dates.

I look forward to the kind participation of your administration/organization.

Yours faithfully,

John OMO
Secretary General
