Dear Sir/Madam,

INVITATION TO THE 4TH MEETINGS OF THE ATU WRC-23 WORKING GROUPS

The African Telecommunications Union (ATU) is pleased to invite your administration/organization to the 4th meetings of the ATU WRC-23 Working Groups. The meetings will take place online as per the attached **schedule of dates**.

The objective of the meetings is to prepare recommendations to APM23-4 in relation to the preferred methods – the methods of which should be in line with the preliminary positions taken at APM23-3: it would be for APM23-4 to consider any material change to the preliminary positions (and therefore select associated methods, as appropriate).

This letter serves as a kind invitation for your administration/organization to submit input contribution(s) on methods that are in line with the preliminary positions taken at APM23-3. Input contributions should be made available **5 working days** before the start of a given meeting via sg@atuuat.africa with copy to k.mwale@atuuat.africa. Note: the CPM Report on whose text the contributions should be based can be found on <https://www.itu.int/md/R19-CPM23.2-R-0001/en>

Participants are kindly requested to register via a simple registration. After registering, they will receive a confirmation email containing the login link to the meeting. Registration links to the meetings are as reflected in the schedule of dates.

I look forward to the kind participation of your administration/organization.

Yours faithfully,

John OMO
Secretary General
